

# ERGOPLUS 15

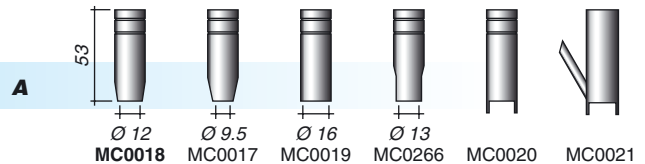

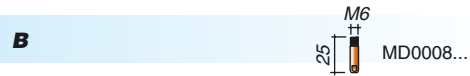

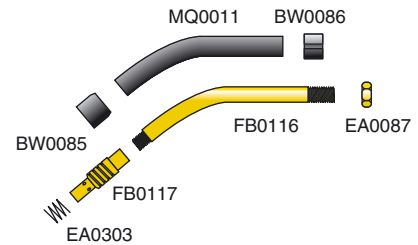

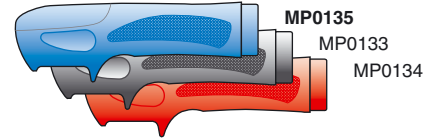

The queen as far as light structural work is concerned.

Main characteristics:

- interchangeable with the best-known European brands
- a sturdy torch that combines the qualities of compactness and light weight with great reliability
- ergonomic handle
- articulation to ease cable bending
- attachments: Euro with mobile pins and "Eurosaf" mobile three-contact
- connection kits for Esab, Fronius, Cloos, Daiden, National-Panasonic, are available.

All the above names and trademarks are of exclusive property of the respective companies.
